

## JOHNSONVILLE HOME & SCHOOL ASSOCIATION

### CHAIR REPORT – AGM 2019

I chaired the Johnsonville Home and School from the beginning of December 2018 and first term of 2019. Ayesha Mangera was Treasurer and Tanya Christian was Secretary. Donna Hetherington continued to manage the committee even after her resignation from Chair at the last AGM.

In 2018 we did not have a major fundraising project due to the Great Geography Challenge organised by the school. We did however organise other fundraisers:

- Calendars – co-ordinated by Erica Thomas
- Discos x 2 – co-ordinated by Tanya Christian
- Cupcake Day – co-ordinated by Annouschka Martinsen
- Mini triathlon – co-ordinated by Louise Corlette, Anthony, Abid Naik, Donna Hetherington and Pip Hurell with support and sponsorship from Todd Morton (EasySwim)
- Entertainment Books – co-ordinated by Caroline Burdan
- Yummy Stickers – co-ordinated by Collen Henry-Hansen
- Bake Sale – co-ordinated by Yeshaswini Ramesh
- Awapuni Nurseries – co-ordinated by Yeshaswini Ramesh
- Splash Day – co-ordinated by Tanya Christian

Proceeds of funds went towards:

- Classroom Supplies 2018 - \$3200 (\$200 per classroom)
- School Leaver Books - \$1000
- National Young Leaders Day - \$500
- Benches and Weta Art - \$744
- Playground Refurbishment - \$8600
- Splash Day - \$567

We had a Special meeting to amend the constitution to allow for a rolling chair option and to also add a Deputy Chair position. This is to ease the pressure on one person and also to pass the knowledge on for continuity.

I wish to thank our sponsors and EasySwim for the prizes for the mini triathlon and other events.

A very dedicated Committee and wonderful external co-ordinators put together an activity packed and successful year for which we can be very proud. The committee is grateful for the great support from parent volunteers. We thank all parent volunteers for all their help in 2018 and look forward for their support this year. We are also looking for new families to the school to join us.

We also would like to thank the ex-Principal of the School, Barry Schon, for all his support. We welcome Basil Ziogos in his new role and looking forward to working with him and his team of teachers.

2018 is our third year providing a “Performance Report” as part of its Charity Reporting Requirements. Ayesha worked on this report over the Christmas break and has submitted the report.

We said farewell to Donna Hetherington who chaired the committee for three years and wish her well in their future endeavours.

We have some new members joining in recently and have great new plans for the school. 2018 was a successful year for Johnsonville Home and School with awesome committee members and all the volunteers.

Yeshaswini Ramesh
