As an Enviro School we encourage books to be left uncovered.

PRIME Maths: Stationery Requirement 2023

Dear Parents and Caregivers,

Next year we are continuing the use of **PRIME Maths Programme across our Year 2 to Year 6** classes, after having successfully implemented the programme in our Māhuri (year 2), Kōrari (year 3/4) and Harakeke (year 5/6) syndicates this year.

The programme **supports your child(ren)’s learning by:**

- providing a structured and consistent approach to Maths learning in our school
- focusing on problem solving as well as developing mathematic knowledge and skill
- ensuring a broad reaching spectrum of mathematical learning
- increased motivation and benefits from collaborative teaching and learning practices.

The programme does require the purchase of two pieces of stationery to support your child(ren’s) learning. The **two practice books** are your child(ren’s) books to keep and we have once again found the kids are very motivated in their use.

The purchase of the two books costs \$16.00

We ask that you contribute to this payment, payable to “Johnsonville School BOT” and drop off at the office in a named envelope or via internet banking: ASB Bank – Johnsonville School BOT. A/c Number 12-3223-0117242-00.

Please include your child’s name, class number and the word ‘Maths’.

If you have any concerns or questions, please speak to you child’s teacher, Stephanie Whiteman (Deputy Principal) – stephanie.whiteman@johnsonville.school.nz or Tania Cohen (Principal) – principal@johnsonville.school.nz.

Kind regards,

Tania Cohen

Principal
